NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN, pursuant to the provisions of the Code of the Town of Leicester, and pursuant to New York State Town Law, that a public hearing shall be held by the Town Board of the Town of Leicester at the Town Hall, located at 132 Main Street, Leicester, NY at 7:00 p.m. on Tuesday, July 14, 2026 for the purpose of considering public opinion relating to the amendment of the water billing rates involving the Town of Leicester Consolidated Water District (not including those water customers along Caledonia Road that receive water from the Town of Leicester as supplied by the Town of York, or those water customers within the Town of Leicester Route 36 Water District). It is proposed that the billing rates be amended so that those properties located within the Town of Leicester Consolidated Water District (not including water customers along Caledonia Road that receive water from the Town of Leicester as supplied by the Town of York, or those water customers within the Town of Leicester Route 36 Water District) shall have the currently imposes quarterly debt charge of \$30.00 terminated, as the debt previously owed to the Village of Leicester has been satisfied and all loans associated with repayment of such water debt to the Village, including interfund loans through the Town of Leicester have been or will be immanently satisfied. The quarterly debt charged was only intended to be applied until the debt previously owed to the Village of Leicester was satisfied and all loans associated with repayment of such water debt to the Village, including interfund loans through the Town of Leicester were paid.

If adopted, the above rate changes will take effect beginning August 1, 2026, and will first show up with the November 1, 2026, billing cycle.

All interested persons are invited to appear at the aforesaid time and place.
