Re: August update for White Creek Solar Host Communities

AES would like to inform the York and Leicester Town Boards about key updates regarding the White Creek Solar project. This update will be posted on the project webpage in the “Updates” section by Friday, August 14.

Full civil construction for the project is anticipated to begin late November/early December 2026.

August 2026 activities:

- Grubbing and processing of logs and stumps will be taking place throughout the site, focused on south of Chandler Road and east of River Road (north of Rt 63).
- Installation and maintenance of erosion and sediment control best management practices throughout the site.

If there are any questions or concerns, please do not hesitate to reach out to the project team:

Via the Project email: Whitecreeksolar@aes.com

Via the Contact Form or Construction Complaint Form on Project webpage: [White Creek Solar | AES](#)
