ANOTHER FREE PRESENTATION OF THE WATERSHED EDUCATION CENTER

Big projects mean major progress.

You're invited to hear Jason Molino, Executive Director of the Livingston County Water and Sewer Authority (LCWSA) discuss the Authority's mission, long-term vision, and $75 million in capital-improvement projects. These investments include upgrades to three wastewater treatment plants, improvements to 35 sewer pump stations, countywide water system enhancements, and the LCWSA's Regional Water Project. To sign up to attend, or to receive a YouTube link to watch the presentation at a later date, use your smartphone to scan the QR code below or register online at conesuslake.org.

Attend this free in-person presentation on Thursday, Nov. 12th at 6:30 PM
