Re: July update for White Creek Solar

AES would like to inform the York and Leicester Town Boards about key updates regarding the White Creek Solar project. This update will be posted on the project webpage in the "Updates" section by Friday, July 10.

**Full civil construction** for the project is anticipated to begin October 2026.

**July 2026 activities:**

- Grubbing and processing of logs and stumps will be taking place throughout the site, focused on south of Chandler Road and is expected to be completed by July.
- Installation and maintenance of erosion and sediment control best management practices throughout the site.

If there are any questions or concerns, please do not hesitate to reach out to the project team:
