

THE WYOMING COUNTY HEALTH DEPARTMENT

is committed to supporting, educating, and empowering the **children, youth, and families** of Wyoming County. To achieve this, we offer the following programs and services:

MATERNAL AND CHILD HEALTH

Offers informal home visits to help support, reassure, and educate pregnant women, mothers of newborns, and families with young children.

CHILDREN AND YOUTH WITH SPECIAL HEALTH CARE NEEDS

Provides support, referrals, and education to children and youth with special health care needs.

CHILD SAFETY SEAT

Provides education on the proper ways to transport children safely using child safety seats and seatbelts. Child safety seats are made available for those with a defective or outdated seat that have a financial need.

IMMUNIZATIONS

Provides immunizations for children and adults. Some private insurances accepted. Free vaccines for those who are uninsured or underinsured.

HEALTHY FAMILIES

A voluntary home visiting service that partners with parents to build a community of happy, healthy, and safe children that are ready for school.

HEALTH INSURANCE ENROLLMENT

Certified Navigators help individuals enroll in affordable insurance through New York State's Marketplace. These services are free and confidential.

LEAD POISONING PREVENTION

Conducts home visits for children with elevated blood lead levels to help identify the source of lead poisoning, while providing education to reduce lead exposure.
