

Now is the perfect time for a tick talk.

Avoiding Lyme and other tick-borne diseases requires avoiding a tick bite! Join us to hear Cornell Integrated Pest Management Program's Joellen Lampman talk about the many different ticks in our state, their biology, the diseases they carry, and how to protect yourself from being bitten. To attend this presentation, in person or online, sign up by scanning the QR code below with your smartphone or by visiting this website: conesuslake.org.

Attend this free program, in person or on Zoom, Wednesday, May 20th at 6:30 PM
